

# CAMP UP-2012

**PLEASE SUPPORT CAMP ULTIMATE PEACE IN THE MIDDLE EAST - JUNE/JULY, 2012**

## Time for Camp... Again!

In our 3rd summer season, Ultimate Peace overnight camp will host over 200 youth from 12 Arab, Jewish, and Palestinian communities in the Middle East. The goal of Camp UP is to build bridges of understanding and friendship through the fast-growing, character-building sport of Ultimate Frisbee (Ultimate).

Ultimate Peace envisions a future in which the youth of today lead the sustainable peace of tomorrow. To get there, youth from the different communities must get to know one another, share positive experiences, and learn new ways to interact.

For two 5-day sessions, our campers live, learn and play in a spacious, safe, & serene setting in Acco, Israel. Boundaries blur, bonds form, and a powerful community of hope is born.

## Please Donate & Help Send a Youth to Camp

The impact of last summer has been profound. Hundreds of youth are playing Ultimate year-round in our programs, many continue to deepen their friendships on and off the field, and our leadership program is thriving. Yet the cost of running an overnight camp is significant, and we need your help to make it a reality. Please **donate** today and get a cool premium gift with any tax deductible donation!

**PLAYING TOGETHER** - Youth are divided into evenly mixed multi-cultural teams that bond through working and playing cooperatively.

**NEW FRIENDSHIPS** - Camp provides a rare chance for Arab Israelis, Israeli Jews, and Palestinians to play and socialize in a relaxed carefree setting.

**LIVING ULTIMATE'S VALUES** - Campers learn how to practice Spirit of the Game, settling differences without referees in game situations.
