

# CAMP UP - 2014

CAMP ULTIMATE PEACE IN THE MIDDLE EAST: JUNE 20-29 2014

PLEASE SUPPORT CAMP UP THIS SUMMER!!

## Time for Camp... Again!

In our 5th summer season, Ultimate Peace overnight camp will host 280 youth from 15 Arab, Jewish, and Palestinian communities in the Middle East. The goal of Camp UP is to build bridges of understanding and friendship through the fast-growing, character-building sport of Ultimate Frisbee (Ultimate).

Ultimate Peace envisions a future in which the youth of today lead the sustainable peace of tomorrow. To get there, youth from the different communities must get to know one another, share positive experiences, and learn new ways to interact.

Our campers live, learn and play in a spacious, safe, & serene setting in Ashkelon, Israel. Boundaries blur, bonds form, and a powerful community of hope is born.

The impact of what is now a year-round program is profound. Hundreds of youth are playing Ultimate in our programs, many continue to deepen their friendships on and off the field, and our leadership program is producing young adults who are making plans to change their world. Yet the cost of overnight camp is high. Even though **camp staff are volunteers**, we need your help to make it a reality. Please *donate* today and get a cool premium gift with any tax deductible donation!

*"Together from breakfast 'til dinner. Much love, smiling, playing. A family brighter than the sun, calm inside the storm".*

**PLAYING TOGETHER** - Youth are divided into evenly mixed multi-cultural teams that bond through working and playing cooperatively.

**NEW FRIENDSHIPS** - Camp provides a rare chance for Arab Israelis, Israeli Jews, and Palestinians to play and socialize in a relaxed carefree setting.

**LIVING ULTIMATE'S VALUES** - Campers learn how to practice Spirit of the Game, settling differences without referees in game situations.
